

SWARDMAN

passion for lawns

GAS AND BATTERY-POWERED REEL MOWERS

ADVANTAGES OF SWARDMAN REEL MOWERS

Dense and healthy striped lawn

Cuts every grass blade on a scissor-like principle

Choose between 18 and 22 in cutting width

Custom configuration to exactly suit your needs

EDWIN 2.0

- Self propelled gas reel mower in 18" and 22" cut
- Quiet Japanese 4-stroke Kawasaki engine makes Edwin 2.0 the quietest gas-powered mower in the world
- Most agile gas reel mower on the market
- Solid steel construction and reliable belt drive
- Personalized accessories

ELECTRA ⚡

- Battery-powered reel mower with drive and minimum service requirements
- Electra is about 5x quieter than ordinary rotary mowers
- You can choose from 3 models which can mow an area between 4,000 and 15,000 sq ft on one charge
- Electra means a free movement without cords, electronic control, reverse gear, or a special regenerative mode and cruise control

INTERCHANGEABLE 4 IN 1 CASSETTE SYSTEM

Reel (5,6,10 blades)

Verticutter
